

## PC SOFTWARE

### 190 TARGETS

Use	Description	Lower Limit	Upper Limit
<input type="checkbox"/>	100 count Gummy Bears	0.75	0.8
<input type="checkbox"/>	200 count Gummy Bears	1.5	1.6
<input checked="" type="checkbox"/>	Bing Cherry Large Pack	2.5	2.6
<input checked="" type="checkbox"/>	Bing Cherry Medium Pack	2	2.1
<input checked="" type="checkbox"/>	Bing Cherry Small Pack	1.2	1.4
<input type="checkbox"/>	Cashews 1.5lb	1.5	1.55
<input type="checkbox"/>	Cashews 1lb	1	1.05
<input type="checkbox"/>	Chicken Breast Family Pack	3	3.2
<input type="checkbox"/>	Chicken Thighs Family Pack	3.5	3.6

### Set Up To 100 Model 190 Check-weighing Set Points

**190 Targets** allows you to easily set 100 different target weights through your PC (plus print them) for up to ten 190 STORM indicators and update them all simultaneously or just one indicator at a time.

**FREE**

### PC Companion

scale data reporting software

ID	Indicator ID	Tare Weight	Accum Weight	Accum Load	Reference ID
1	0	1000	12190	5	
2	0	2000	41176	6	
3	0	1000	14288	7	
4	0	5000	0	0	
5	0	1000	3863	3	Trailer
PCSU	0	1000	18190	5	Trailer

### Scale Data Reporting and ID Software

**PC Companion** gives you full management over the raw weight data CSV file coming from your scale's indicator to sort, view and print reports, edit transactions, and create/edit IDs for your indicator through a PC.

**FREE**

## MOBILE APPS

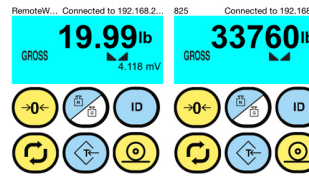

LIVOLT	DINGS	MIN/MAX READINGS	DAC OUTPUT	
Cell mV	Min	Max	Diff	
1	13.0166	9.7970	17.7860	7.9890
2	12.4382	9.3762	16.7661	7.3899
3	13.5601	10.2186	18.5143	8.2957
4	13.7456	10.4557	17.5862	7.1305
5	12.6954	9.9337	17.6403	7.7066
6	14.0347	10.7047	18.7532	8.0485
7	13.7683	10.4801	18.2717	7.7916

### Network Enabled Scale Tool Diagnostic App for NEST

**NEST's** mobile app works in conjunction with the NEST scale diagnostic tool to display millivolts and pounds readings for up to 12 load cells and the reading from the j-box summing circuitry.

**FREE**

### Cardinal Weight Indicator Remote Control

**RemoteWeigh** turns your mobile phone or tablet into a remote control for Cardinal indicators using S2WIFI or an Ethernet connection to Wi-Fi. Perform remote TARE, ZERO, UNITS, PRINT, and ENTER.

**\$19.99**

45380	lb	G
26800	lb	T
18580	lb	N

Truck ID: T84

### Mobile Truck Weights and ID Storage Remote Control

**Pathway** provides the power of an NTEP 825 indicator's weight display (using S2WIFI or a customer's wireless network) in a mobile device allowing truck drivers the efficiency of remaining in their truck while weighing.

**\$49.99**

ScaleNET ticket #4	
Ticket Number: 4	
Timestamp: Wed Apr 16 11:14:55 CDT 2014	
Location:	
Latitude:	37.14805217
Longitude:	-94.46144479
Gross:	25.16 l
Tare:	3.38 l
Net:	21.78 l
Information:	
Product:	Corn
Silo:	3
Pen:	17
Livestock:	87
Truck:	T84

### Mobile Device Weight Display for ScaleNET

**ScaleNET IDS** is ideal for non-legal-for-trade agricultural weighing and provides a mobile app weight display and ticket printer with e-mail function for ScaleNET's load cell analog-to-digital Wi-Fi weight transmitter.

**\$29.99**

Scale 1:	20143 lb		
Scale 2:	5806 lb		
Scale 3:	30783 lb		
Scale 1 Cells:			
1:	19272 lb	2:	18733 lb
