MOUNTING BRACKET

You can lay the display on a tabletop for portable use or mount it permanently against a flat wall.

The display comes with a built-in mounting bracket on the back for easy wall-mounted installation (two screws and mounting anchors included).

WIRELESS INGREDIENT SCALES

HANDS-FREE TARE

Remove the tare weight without ever pushing a key. This exciting feature allows quicker and cleaner food prep in a busy commercial kitchen via the photo eye for touch-free tare functionality.

WIRELESS INGREDIENT SCALES

AC or BATTERY POWER

The PZ30W and PZ60W come with everything necessary to get you up and weighing right away, including AC adapters for both the scale base and the display. The PZ series runs on standard off-the-shelf AA batteries (not included).
